RE: 2009 Membership

Dear Bollinger Countians:

The goal of the ***Bollinger County Chamber of Commerce*** is to advance and promote the general prosperity of each community in Bollinger County as well as the surrounding area. We wish to promote and give attention to community pride, industry, education, and tourism to make our county a nice place to reside. As a member of the ***Bollinger County Chamber of Commerce***, you will receive benefits as well as individual recognition for participation and support in a growing number of publications.

For those of you that have been members of the Bollinger County Chamber of commerce in the past, you will notice that the amount for yearly dues has increased significantly. The Chamber of Commerce has elected to change the way that dues are collected and spent. This year’s dues will include the cost of advertising on all literature and brochures that the Chamber of Commerce creates in regards to the Annual Bollinger County Fall Festival and Chamber of Commerce Banquet.

Remember the Chamber meets the second Thursday of each month at 12 noon. The location of these meetings can be found on our website [www.bollingercountychamber.com](http://www.bollingercountychamber.com) or in the Banner Press the Wednesday prior to the meeting.

Please take this opportunity to mail your check for membership.

Thank you,

**Donnia M. Mayfield**  
2009 Chamber President
